SUMMARY

Experience with a wide variety of genres in editorial spanning short form promo to long form doc / feature projects. Storyteller first, comfortable with fast turnaround environments. Work well with teams or independently. Motion graphics specializing in multiplane and puppet vfx, etc. Strong music sense and pacing. Poor literal sense of humor, flexible, socially well-adjusted (I think). Loyal, old enough to understand corporate politics and adhering to established protocols and workflows,

and yes... I like Takis.
